FOR IMMEDIATE RELEASE

THE GATHERING TREE ANNOUNCES PLANS TO BUILD EDEN VILLAGE
A Master-planned Community for the Disabled Chronically Homeless in Springfield

Join us **Monday, November 21st at 10:30 AM** as The Gathering Tree, a local non-profit organization, announces the purchase of four and a half acres in Springfield to build **Eden Village - a master-planned tiny home community for the disabled, chronically homeless**. Gathering Tree founders, Dr. David and Linda Brown, will host a **Community Celebration** at **634 W. Wall St. Springfield, MO 65806** to give specific details regarding the one of a kind development that will successfully lift over 30 chronically homeless friends off the streets of Springfield permanently. Joining the Brown's will be several prominent supporters including Judy Huntsman of Coldwell Banker real estate who will be presenting the Gathering Tree with a check for \$30,000 to purchase the first Eden Village home that will forever change the life of a brother or sister currently sleeping on the streets of our city.

Eden Village is a first of it's kind manufactured tiny home community that will house atleast 30 of our disabled, chronically homeless friends in a safe, master-planned and gated community in Springfield. Dr David Brown says “ It is easy to change homelessness – get them a home; It is much harder to develop a community where healing and renewal can happen- This is what Eden Village is all about!”

About The Gathering Tree

The Gathering Tree is a local 501 C3 non-profit corporation that has been faithfully serving the Springfield Homeless population for the past 7 years. We currently operate a Coffee Shop/ Library style drop-in center for the homeless 5 nights a week that is warm, friendly, and upscale in downtown Springfield. Our goal is to create safe and friendly environments where meaningful relationships can develop between our homeless friends and our Good Samaritan volunteers. Because of the success of developing relationships and helping the homeless the Gathering Tree is now looking forward to housing our homeless friends in Eden Village.
